### Stainless Steel Condominium Cart

Looking for a cart specifically designed for condominiums? Our Bellman's Cart has been redesigned for condominium properties. With its adjustable side rails, this cart prevents tall bags from falling off during transport.

- 2 sets of adjustable side rails
- Steel reinforced undercarriage and solid 1" plywood deck
- 1" diameter stainless steel tubing
- Stain resistant carpet
- Two rigid and two swivel 6" non-marking wheels
- Wrap around bumpers (non-scuffing)
- Stainless steel hanging rod
- Conveniently placed hanging pegs
